

BCHBA Members,

I want to take this opportunity to let you know how Baldwin County Home Builders Association is addressing the COVID-19 situation. Our approach is guided by state and local directives and guidance, as well as recommendations from the World Health Organization, Centers for Disease Control and the US National Institute of Health.

While BCHBA remains “open for business”, **until further notice all scheduled Events, Council and Committee meetings will be postponed.** In an effort to limit the possibility of spreading the virus due to direct contact with others, we are asking that you refrain from coming into the office. You may contact us through email, telephone or visit our website.

Below are some additional ways you can find help, give help and stay informed:
