ARBITRATION 101: HOW TO CHOOSE, WHEN TO USE

9:00 am - 12:00 pm (3 credit hours)

Instructor: Tom Gotschall

When irreconcilable differences occur in a new home or remodeling construction project, how are they resolved? Do you go to court? Do you mediate? Do you arbitrate? What does your contract say and, importantly, why? In this session, long time construction professional Tom Gotschall will help you understand the dispute resolution processes and, for those who use arbitration clauses, how to better understand the process.

ALABAMA SPECIFIC

PLANNING AND SCHEDULING FOR CONSTRUCTION PROFESSIONALS

1:00 pm - 3:00 pm (3 credit hours)

Instructor: Tom Gotschall

Many home builders and remodelers can build great projects and keep them on budget. Perhaps they can even manage the flow of work "in their heads". Some could benefit from a better understanding of the fundamentals of planning and scheduling in an effective and visually attractive way. Participants will have the opportunity to discuss scheduling challenges, offered some "hands on" scheduling exercises and given sample templates to develop further.
